

# Itchenor Village Fete

*Saturday May 25<sup>th</sup>*

We are looking for pre-loved clothes, always popular at our Fete, clean and in nearly new condition.

We are also looking for books and anything to do with boats, bits you no longer need or things that you or your family might have grown out of. We will be having a cake stand and cake donations are always welcome. Our ever-popular bottle stand will be there and donations of bottles are both essential and welcome. The White elephant stand is always on the lookout for items at home no longer needed, your gifts always welcomed.

Tim Keen will be running our plant stand and donations for this are needed, in the past we have appreciated young Tomato plants sun flowers and frankly anything with a flower.

See you on May the 25<sup>th</sup> at our Village Hall.

**Call any of the following people involved and we can advise or arrange where and when to drop items off:**
